To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

Our committee does have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow up does not request any additional monies, includes a pre-addressed return envelope and again informs the person of the federal requirement for requesting this information. Finally, we add the new information to our database and include it in amended reports filed with the commission and subsequent reports going forward.

The negative entry for Teresa Stukel is a chargeback from a contribution received by our committee on October 14, 2020. Due to a previously undetected software issue this contribution was not itemized on our original 2020 Pre-General Report with the Commission. Ms. Stukels mailing address is 207 Shirk Hollow Road, Lock Haven, PA 17745. We have not been provided her employer and occupation information, but that was requested when the contribution was originally made, and a subsequent request was made per the best-efforts standard.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
Paul Kilgore, Treasurer
